

#### MOBILE MICROMEDEX

# Introducing the new mobile app

## Combined access and improved user experience for our customers on iOS and Android

The new Micromedex mobile app delivers more efficient access to your Micromedex content, including Drug Reference, Drug Interactions, IV Compatibility, calculators, and the Micromedex Assistant. Pediatrics Reference and NeoFax® will follow in a second release.

#### What's new?

- Unified Access: Access to all essential drug information from a single, comprehensive app
- Improved Navigation: Intuitive user-friendly interface for easy access to information
- Ease of maintenance:Experience automated updates so you can stay focused on your workflow

Available now.
